

Choices

The so-called intellect of human beings... it cheats... it gives you escapes... all the time the intellect is working by saying.. 'oh this may be good... that may be good' ... but the real good it never sees... it's a trick of the ego you see... choices... ego likes choices you see... 'this is good... this is bad... this I don't like... this... this' - all 'I' business should be given up... 'we' should come in... not 'I'... that's how intellect will go away. The most intelligent person is the one who knows that our intellect is just an ego trip... this is the sign of Pure Intelligence... of Pure Understanding... that the heart is the ruler... there resides the Spirit which is the most intelligent thing within us... and the inspiration of the Spirit is the manifestation of the Pure Intellect of God... and what I told you today is the Intellect of the Heart... but of the brain... zero (820402); We have to enter into God's Kingdom in complete freedom - the choice is between ego and wisdom (790416)
