

Declaration

1. "Today is the day... I declare that I am the One who has to save the humanity. I declare... I am the One who is Adi Shakti, who is the Mother of all the mothers, who is the Primordial Mother, the Shakti, the Desire of God, who has incarnated on this Earth, to give it's meaning to itself, to this creation, to human beings... and I am sure... through My Love and Patience and My Powers... I am going to achieve it (791202.1)

I was the One who was born again and again. But now in my complete form and complete powers, I have come on this Earth, not only for salvation of human beings, not only for their emancipation, but for granting them the Kingdom of Heaven, the Joy, the Bliss that your Father wants to bestow upon you" (791202.1)

These words are to be kept within the bounds of Sahaja Yogis only for the time being... and today is the day of Guru Puja, not my Puja, but your Puja as Gurus. I anoint all of you as Gurus, and today I will tell you what I have bestowed upon you, and what great powers you already have within you... (791202.1)

Among you there are people who have still not been able to recognise... my announcement will work it out within them... the recognition. Without recognition you cannot see the play... without the play you cannot have confidence within yourself... without confidence you cannot become the Guru... without becoming Guru you cannot help others... without helping others you are not going to be in any way happy. So to break the chain is very easy... but to build the chain one after another is what you have to do. This is what you were all wanting to be. So be confident and be joyous and be happy... that all my Powers will protect you, my Love will nourish you, and my Nature will fill you with Peace and Joy... May God Bless You (791202.1)

Sahajvidya - Declaration

2. First of all you have to know you are prophets... and you must know... that I am the Holy Ghost... I am the Adi Shakti... I am the one who has come on this Earth for the first time in this form, to do this tremendous task. The more you'll understand this, the better it would be... I knew I'll have to say that openly one day... but now it is for you people... who have to prove it... that I am that (830321)

Because I have said now, I am the Holy Ghost... everybody seems to be 'over happy', and joyous - I have told you whatever was needed for your counselling... I have taught you how to redeem others, and comfort them... you know everything... now just become masters in this art... forgetting your past... you are all great people, all of you. Declare to all the nations now... that I am the Holy Ghost... and I have come for this special time... that this is the resurrection time (830321)

3. I see people when I talk to them... they start talking to me little frivolously... not with that depth... not with that feeling that I am Mahamaya. Then some of them even answer me... explanations. Of course this freedom I have given you deliberately... but you must understand that you have to talk to me in a way that you would talk to Adi Shakti... is very important (911013)

Then how you behave is very important... you should not be artificial... or superficial... but best is to put your hand on your heart... both the hands... and just try to feel... your Mother is Adi Shakti... she has created all this Universe... she has created all this world... and she is for your protection - as soon as I come to know about your problems, my attention can work it out. All this protection is given to you because you are seekers of truth... and the truth is that I am the Adi Shakti Incarnated. Once this truth becomes one with your self, there's nothing to fear... because all the Deities know this fact... they know about this Incarnation very well... they'll do anything to substantiate your belief in every way... my photographs... in the sky... they are so anxious. They are behind

Sahajvidya - Declaration

the stage... before the stage... all sides of the stage... listening to me... feeling very happy that I am telling you the truth. But the way they recognise... the way they act... they never disobey. If you behave in the same manner, you are completely protected from all these problems I have told you about (911013)

Once you have recognised, you will have no fear from anyone... and the more you show that recognition, the more you realise it, you get higher and higher... not only spiritually, but every way, mentally, socially, economically, politically... is very remarkable... that not only that you recognise me as a Mother who loves you very much... but a Mother who is powerful to protect you (911013)

So just behind this recognition is all the powers... but if you are doubting... still half way this that, then things won't be alright. You shouldn't worry about your reputation... just go full speed into any direction, knowing one thing... that you are my child, and that I am Adi Shakti... everything that looks horrible will become better... you have seen it now... don't worry about anything... just know that I am the Adi Shakti... that all the Powers of Gods and Goddesses... and all that are within me... and they 'are' within me... and they are all looking after. But if that recognition is not there... they are not going to recognise you either (911013); Supposing I correct you sometimes... instead of feeling sad, you should see that how fortunate I am that Adi Shakti herself is correcting me... she is taking interest in me... how fortunate I am... to be born at this time, to be with her in her great work (911013)
