

Destruction

Will come from inside, not from outside (810928); In any construction, there has also to be destruction. If there is something that is trying to destroy your construction, then you have to destroy that. We should desire to destroy that which obstructs our ascent - be prepared to destroy. When a flower becomes a fruit, the flower is destroyed. Fix your goal, and do not be distracted, or deviated, otherwise you will not arrive. Our destination and our desire should be to ascend (890619)

Kalki is devoid of any compassion. There are 11 Rudras, 11 destructive, destroying powers absolutely settled in him... which are guarding the beauty of Sahaja Yoga. Anybody who tries to play around with Sahaja Yoga is harmed very badly. Don't try to trouble anybody who is a Sainly person, a good person... nor to play tricks with the Divine. Because Kalki is already on! Be careful about it because once this power comes on you, you will not know how to hide yourself. Not only to Sahaja Yogis, but this I am telling to the whole world today - be careful! Don't take it easy, and do not compromise with nonsensical people - stick onto the 'Right'. The day is very near when Kalki is going to come. Be careful. Do not try to harm others, or take advantage of others, and do not show off your own powers, because once this destruction will start in your life, you won't know how to stop it (790928)

The coming Incarnation is Shri Kalki, who is blemishless, who cannot be blemished - anyone who tries to, will be destroyed. He will come to do the last sorting out. There will be no-one to talk to you... or to listen to you... nothing of the sort. He is coming for the harvest, the last cutting. The time remaining is very short, so better get yourself in the proper shape - and then let him come. He is coming with 11 powers known as Ekadesha Rudra, all placed in the head of the Primordial Being, and he will be manifesting all these in such a tremendous manner, that you would not know how people will be destroyed, and the destruction will be of the worst type you have ever seen. So that's why you try to mature, become the fruits, and be in the Kingdom of God... alright (790530)

Sahajvidya - Destruction

This destruction has already started, and is going with full speed I think all over... through the so many things that are happening. We have got hurricanes... storms... earthquakes... many accidents... and so many destructive things are working out... which are the outcome of Kalki incarnation. But at the same time, there is another work going on, of the same incarnation... is the resurrection of the people... such people can never be hurt... nothing can happen to them... they will always be saved... because they are under the protection of their Mother (000206)
