

# Reverence

The auspiciousness of sitting... for example... is... have you Reverence in your mind... when you are sitting... there should be reverence... are you sitting in a surrendering mood. So again I tell you... auspiciousness is what is within you... what you think about it... what is happening to you... are you feeling reverence within you. Auspiciousness is very important for Sahaja Yogis... because all that they do should be auspicious. When you speak, it should be auspicious (781002)
