

Sadhaka

Seeker (830128); In the olden days when the Goddess had to fight the Rakshasas, the Rakshasas were not involved in human beings as such... they didn't become Gurus or anything. And so now we find , in Kali Yuga they have gone into the brains of the Sadhakas... of their devotees. It's very difficult to remove them... and once they go into the brains of the Sadhakas... then the Sadhakas become of course possessed... they suffer... they have all kinds of problems - but despite that they stick on to that person, because they are mesmerised. Main thing is that in this Kali Yuga there are so many Sadhakas... they are running helter and skelter... they are running all over, trying to find out some way of finding the truth (911209)
