

Shivaji Maharaj

A great soul... who had such great principles... and such a beautifying life... in his language... in his attitude, and everything. With all that he was a very brave person. Once you have this, you will not deter from doing anything that is important... you will not go round and round... but you will know how to find the solution, and how to work it out. This will happen to you, if you really know yourself... you will have such powers of courage - you will not be daredevil, but with wisdom - courage and wisdom you will have... your Spirit will give you lots of wisdom and lots of courage. There's no struggle... and no fight... just standing with courage and doing whatever is right... and that is possible because you have now the connection with the Almighty... you have the connection with the Paramchaitanya... and that will work out everything (010321)
